

HAMPTON, PHOEBUS AND OLD POINT.

FORT MONROE Y. M. C. A. TOOK THE FIRST GAME

Hampton Baseball Nine Put up
Good Game But Luck Was
Against It

IT WILL BECOME A STRONG TEAM

The League Season Between Peninsula Associations is Now On. Fort Monroe Has Won Two Games, While Hampton and Newport News Have Not Won a Single Game.

An element of hard luck, combined with lack of team work and inability to bunch hits, caused the defeat of the baseball nine of the Hampton Young Men's Christian Association in the opening game of the league with Fort Monroe on Darling's grounds yesterday afternoon.

While the visitors from Fort Monroe took the locals into camp by the score of 6 to 1 the story of the contest is much more interesting than the score would indicate. It was the first time the Hampton team has been on the diamond this season, while Fort Monroe has been putting in good preliminary work.

Balmer, who was in the box for the locals, did good work, and with proper support would have probably won his game. He allowed thirteen hits, but many of them would not have been in the hit column had the fielding been what it should have been.

With more practice and several changes in the team the locals will give the other league teams a warm battle for the pennant.

Fort Monroe played excellent ball. The team worked well together and only two errors were charged to the batters. Shearlock pitched seven innings, when Millett was put in the box to give him practice work. Shearlock struck out six Hamptonians and Millett sent three to the bench in three innings.

The managers of the Hampton team are satisfied that with practice that the locals will play good ball.

Here is the story of the game in detail:

THIS IS A SAFE CLOTHING STORE

First, because every garment is made of choicest fabrics in their respective grade.

Next, because prices are always safely lowest.

Last, and most satisfactory, because you can return the goods and get the money back, whether it's the fit, fabric, the color or anything else that induces you to change your mind.

And yet wonderfully few pieces of clothing come back to us. Perhaps it's because the clothes are so good, the styles so excellent, the fit so carefully formed, and the prices so pleasantly little.

Try Our \$12.50, \$15, \$18, or \$20 Suits.

By them you may best judge this store. We never before sold such good clothing at those prices, nor have we ever shown such great variety. Choice of cloths, plaids and stripes, in cassimeres, chevrons, velours and worsteds, besides blues and black. Yes, we guarantee every garment just as good in all respects as though you had it made especially to your order, as good as though you paid half as much again. The clothing of no other store comes so near to custom work.
